

YOUR
Infertility
SUPPORT PROGRAM

Program Benefits

University of California families enrolled in the Anthem UC Care, UC Health Savings Plan, and CORE medical plans are provided a 2-cycle lifetime maximum benefit toward eligible expenses related to fertility treatment and related fertility medications. Program benefits include:

- 24/7 access to WIN's Nurse Care Managers for emotional guidance and support
- Assistance in selecting a high-quality, in-network provider based on your individual treatment needs
- Expertise in understanding complex information and decisions regarding infertility causes, testing and treatment option success rates and risk
- Guidance to help increase efficient use of hormonal medications to avoid wastage and over-stimulation
- Education on your pharmacy dosing usage, storage, and medication side effects and also assistance in maximizing your infertility medication benefit
- Access to valuable fertility resources

HELPING PEOPLE BUILD FAMILIES

The journey to parenthood is not always easy. If you are struggling to conceive, WINFertility is here to help.

How it Works

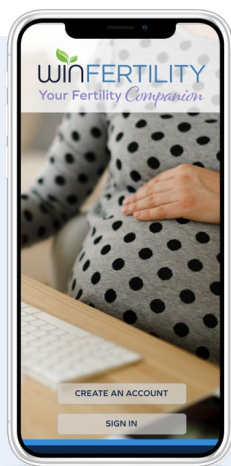

WIN will help you better understand your options so you can maximize your benefit and choose the best course of treatment. More importantly, WIN knows this can be an extremely stressful and emotional time in your life. We are here to support you through every step of your fertility journey.

WINFertility will assist you in selecting the right provider and navigating the system, your care and benefits. Working together with your health plan network of doctors and pharmacies, we provide you with total support and coordination of care. WIN has you covered!

Getting Started

For benefit details and eligibility, contact **WINFertility** at **877-451-3077**, or visit managed.winfertility.com/universityofcalifornia. Benefit details can also be found at uhealthplans.com.

Service team members are available Monday - Friday 6:00 AM - 4:30 PM PST.

WINFERTILITY COMPANION APP

Download the WINFertility Companion mobile app to take advantage of your benefits on the go. The app gives you access to:

- Speak with a Nurse Care Manager by phone or video chat
- Privately track multiple family-related activities
- Set calendar reminders for doctor appointments and other medical events
- Get discreet alerts for ovulation tracking
- 1-click Nurse Call for 24/7, real-time access to fertility support

Use employer code **UCA23** when creating your account.
